PRESIDENT'S MESSAGE

TONY STRATIDIS president@blackhallclub.com

The 2021 golf season is winding wound down but there are several of our members who will push the temperature limits and brave the elements into 2022. Please remember that guests are not allowed to play during the winter season when the golf shop is closed. As in the past, there will be signs posted indicating whether the greens are open or closed. If the greens are "closed", kindly adhere to the postings, and use the temporary tees.

The winter indoor practice area is available for our members who have signed up. If you have not yet signed up, please let Nancy or the golf shop know, and they will get you set up. It is only \$50 for the winter season. As with the use of the course during the winter, there is no guest play allowed in the indoor practice area.

As always, Andrew has the golf shop well stocked for your holiday shopping.

Wishing you and your families a Merry Christmas, Happy Hanukkah and a Healthy, Happy and Prosperous New Year!

In Memoriam

ζ **Steve Steinfeldt**

"Be still. Close your eyes. Breathe. Listen for my footfall in your heart. I am not gone but merely walk within you."

HOUSE

RICH BACCI

All who are using the indoor nets, please make sure you are leaving the space clean for the next reservation. Those who may take the last reservation of the day, please help in leaving the room free of trash and in good standing for the morning players. We have limited staff in the winter and we can all do our part to keep things clean.

Please make sure your locker is empty and left unlocked by Dec. 31st. After that, lockers will be emptied and all personal items found will be placed in lost & found. Lockers will be cleaned in January & February and available for use on March 1st.

Wishing everyone a very happy holiday season!
